

LEX1661

Exposition Table with 6 Flat Seats

Material

The solid surface tabletop is 12-gauge steel with a durable 1.5" square steel tube edge design. Flat seats are 12-gauge steel with reinforced frame connection. Table frame and legs are made of 2.38" O.D. steel tubing with steel anchor feet. Tabletop is designed to support up to 100 lbs. per square foot; seats will support up to 200 lbs. per linear foot.

Features

Steel tabletop and flat seats are protected by the patented Fusion Advantage™ coating that is resistant to fading and UV damage; largely un-affected by common acids, salts, and seawater; and resistant to mold, mildew, and fungus.

Flat seats have a uniformly spaced 0.5" slotted pattern and the tabletop features a 1.64" diameter umbrella hole in the center.

Table is designed to be portable for flexibility in placement. Legs have feet with pre-drilled .5" diameter holes for surface mounting to prevent movement. **Mounting hardware is not included.**

Finish

Fusion Advantage is a heat fused plastisol coating with an average .125" thickness that creates an impervious rustproof barrier and resists UV deterioration, mildew, staining and fading. Plastisol is then encapsulated with a richly tinted, high-performance powder coating that won't rust, fade, peel, chip, crack, mold, or mildew. The finish has been tested to the requirements of ASTM E1354 and is in compliance with California Uniform Fire Code 1103.2.1.4.2.

Fade-resistant, powder coated steel frame and legs feature a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

Assembly

This product requires some assembly. Stainless steel assembly hardware is included.

Color

See website or sales representative for color choices.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

Warranty

20-year limited structural warranty with 7-year finish warranty from the date of purchase. See full details on multi-year warranties for components at anovafurnishings.com/warranty.
