

## L2040

### Latitude 40-Gallon French Door Receptacle with Bonnet Top

#### Accessories

Corkscrew Anchor A1020

#### Replacement Parts

Black Plastic Liner R-DOM1012

#### Material

The receptacle is composed of 12-gauge slotted steel with a .75" gap vertical pattern. The built-in bonnet top is made of 16-gauge galvanized steel. The French-style doors pivot on heavy-duty 316L stainless steel hinges. The reusable plastic liner is made of high-density polyethylene.

#### Features

Features twin French style doors for easy waste disposal. A stainless-steel door latch is hidden and requires a special tool to open for added security. The bonnet top has a wide waste opening on the side.

The receptacle is designed to be portable for flexibility in placement or surface mounted using pre-drilled 0.38" diameter holes inside the base to prevent movement; optional corkscrew mount is also available. The rubber feet are adjustable to assist in leveling the receptacle.

**Mounting hardware is not included.**

#### Finish

Steel slats are protected by the patented Fusion Advantage™ which is a heat fused pastisol coating with an average .125" thickness that creates an impervious rustproof barrier and resists UV deterioration, mildew, staining and fading. Plastisol is then encapsulated with a richly tinted, high-performance powder coating that won't rust, fade, peel, chip, crack, mold, or mildew. The finish has been tested to the requirements of ASTM E1354 and is in compliance with California Uniform Fire Code 1103.2.1.4.2.

Fade-resistant, powder coated steel top features a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

#### Assembly

This product ships fully assembled and ready-to-use. Using an optional corkscrew anchor may require some assembly.

#### Color

See website or sales representative for color choices.

#### Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

#### Warranty

20-year limited structural warranty with 7-year finish warranty from the date of purchase. See full details on multi-year warranties for components at [anovafurnishings.com/warranty](http://anovafurnishings.com/warranty).
