

## MIX2960R

Mixx 5' Recycled Plastic Flat Bench

### Accessories

Optional Hold Down Kit A1007

### Material

The flat bench is composed of 0.75" x 3.5" (1" x 4" nominal dimensions) recycled plastic seat planks made of 95% recycled content by weight.

The frame and supports are made of 14-gauge steel and are designed to support 200 lbs. per linear foot.

### Features

The bench is designed to be portable for flexibility in placement. Each foot features a stainless steel adjustable glide for leveling and to protect your floors. **Optional hold down kit sold separately.**

### Finish

The recycled plastic planks are impervious to moisture and corrosion, do not require the application of sealants or preservatives, and will never need painting or staining throughout the product's life.

Fade-resistant, powder coated steel features a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

### Assembly

This product ships fully assembled and ready-to-use. Leveling foot glides may require adjustment.

### Color

See website or sales representative for color choices.

### Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

### Warranty

20-year limited structural warranty, 20-year warranty on recycled plastic and, 3-year finish warranty; 7-year warranty against fading from the date of purchase. See full details on multi-year warranties for components at [anovafurnishings.com/warranty](http://anovafurnishings.com/warranty).

Manufactured in the U.S.
