

L1383BT

Rendezvous 40-Gallon Trash Receptacle with Bonnet Top

Accessories

Corkscrew Anchor A1020

Replacement Parts

Black Plastic Liner R-DOM1012
 Bonnet Top F3202

Material

The receptacle is composed of 12-gauge slotted steel with a .75" gap vertical pattern. The bonnet top is made of 16-gauge spun steel. The reusable plastic liner is made of high-density polyethylene.

Features

The steel slat receptacle body is protected by the patented Fusion Advantage™ finish.

The bonnet top offers wide side access to waste opening. Top includes a 14" security strap and lifts off for easy trash removal. The rubber feet are adjustable to assist in leveling the receptacle. Federally ADA-compliant.

The receptacle is designed to be portable for flexibility in placement or surface mounted using pre-drilled .38" diameter holes inside the base to prevent movement; optional corkscrew anchor mount is also available. **Mounting hardware is not included.**

Finish

Fusion Advantage is a heat fused plastisol coating with an average .125" thickness that creates an impervious rustproof barrier and resists UV deterioration, mildew, staining and fading. Plastisol is then encapsulated with a richly tinted, high-performance powder coating that won't rust, fade, peel, chip, crack, mold, or mildew. The finish has been tested to the requirements of ASTM E1354 and is in compliance with California Uniform Fire Code 1103.2.1.4.2.

Fade-resistant, powder coated steel top features a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

Assembly

This product ships fully assembled and ready-to-use. Using an optional corkscrew anchor may require some assembly.

Color

See website or sales representative for color choices.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

Warranty

20-year limited structural warranty with 7-year finish warranty from the date of purchase. See full details on multi-year warranties for components at anovafurnishings.com/warranty.

Manufactured in the U.S.
